Gomez Resigns.

Owing to the childish and corrupt way in which the Cuban officers have behaved over the distribution of the \$3,000,000 advanced by the United States, Gen. Maximo Gomez has resigned the position of adviser and assistant to Major Gen. Brooke.

He states that he thinks the officers in question were obstructing the payment in the hope of gaining advantages for themselves through him (Gen. Gomez).

Gen. Brooke has taken the matter fully in hand, given notice of the point where and time when the troops must appear, surrender their arms, be identified by their officers and receive the \$75 each that our government will pay. There will be no further trifling.

Southern Baptist Convention Closes.

The work of the Southern Baptist Convention, which held its sessions in Louisville, was finished up on Monday night and an adjournment had.

The Convention will be held at Hot Springs, Ark., next year.

A resolution was adopted advising the churches of that denomination not to permit dealers in ardent spirits to remain as members of the church.

Frankfort Banks Win in U. S. Supreme Court.

The long drawn out contest between the Bank of Kentucky, Farmers Bank and Deposit Bank, of this city, over the taxation question was brought to a close on Monday by a decision in the U. S. Supreme Court, at Washington City, in which the contention of these banks that the decision rendered by Judge Pryor in the Court of Appeals of Kentucky, holding that these banks could not be taxed for local and municipal purposes, had made the case *res judicata*, and could not be reopened by a change of the personnel of the court, was upheld.

The court also holds that the other banks, who were not parties to that suit, do not come within the protection of that decision and are subject to taxation.

The National banks had heretofore been held exempt from a part of the taxes, and this decision reaffirms that doctrine.

This decision is a finality, and the banks interested now know the ground upon which they stand, and can govern themselves accordingly.

Stamping Ground

Mr. Q. A. Sparks, of Huntingburg, Ind., visited relatives here this week.

Mr. Frank Chinn, of Frankfort, was in our town Saturday. He was in quest of a fancy driving horse.

Rev. T. Warn Beagle and wife, attended the Southern Baptist Convention at Louisville.

Miss Lida Tilford was in Louisville during the Southern Baptist Convention.

Married—At the home of the bride, May 10th, Mr. Arthur Riddle and Miss Eva House, daughter of Mr. B. W. House and wife, were married by Rev. T. Warn Beagle.

Rev. H. A. Hunt, former pastor of the Baptist Church, preached twice on Sunday, to large and appreciative audiences. His home is now in Shelby, Mo.

There were several good tobacco seasons last week, which were taken advantage of by our farmers.

The rains here delayed corn planting.

Body Recovered and Recognized.

Hon. Thos. D. Taggart, whose daughter was lost when the yacht Paul Jones went down, recognized the body of the young woman, which was recovered, as that of his daughter, and the remains were taken to Indianapolis, Ind., for interment. A sad homecoming from a pleasure trip.

R. K. McClure & Son's Great Enterprise.

That our leading merchants are always on the lookout to secure exceptional bargains for their patrons is again illustrated by the fact that R. K. McClure & Son are offering the public a rare opportunity of securing the Encyclopedia Britannica, at a price that is 30 per cent. less than this work, in its present form, was ever offered before. They have a complete outfit on display at their store and we heartily recommend all of our readers to call on them and examine their work, which constitutes a library in itself. It is the latest edition of the Britannica and includes five volumes of the New American Supplement, which is not only of particular interest to Americans, but which also brings the work up to date. We understand that R. K. McClure & Son have been able to secure only a limited number of sets, then anyone interested should investigate at once.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Shepherd, Publisher Agricultural Journal and Advertiser, Eldon, Mo., says: "No one will be disappointed in using One Minute Cough Cure for La Grippe." Pleasant to take, quick to act. For sale by Tyler & Hemphill and W. McKee Hardie.

Storm at Bridgeport.

The storm of Friday of last week was a very severe one at Bridgeport. It almost became a cyclone. It blew down trees, unroofed barns and sheds, and a body of water, some ten feet high, came down Little Benson creek, which washed up trees by the roots and tore up jack generally. A good many people were very much alarmed and some of them sought refuge in their cellars.

June 18th to 20th the Frankfort & Cincinnati Railway will sell half rate tickets to St. Louis and return account of the "Elks."

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by J. W. Gayle, druggist.

It makes no difference how bad the wound if you use DeWitt's Witch Hazel Salve; it will quickly heal and leave no scar. Tyler & Hemphill and Wm. McKee Hardie.

LaGrippe is Contagious.

Atmosphere Impregnated With Germs.

Disease Proved Beyond Question to be Infectious.—Is Rapidly Conquering The Country.

LaGrippe is a contagious disease. Its specific germ has been positively identified, and it is transmitted from person to person either by direct contact or by inhaling the germs while they float in the air. It is a dangerous disease, lowering the vitality and wasting the resistive power so that pneumonia, heart disease, nervous prostration and insanity find easy victims. No specific is known that will kill the Grip germ, but it may be driven out and its effects overcome by the prompt use of Dr. Miles' Restorative Nerve.

"LaGrippe left my nervous system so racked and shattered that I could not sleep and for two months was under the influence of narcotics. Physicians and friends gave me up to die; but in two days after I commenced taking Dr. Miles' Restorative Nerve I began to improve, and in a month's time I was entirely cured. It is the greatest health restorer on earth."
